

We are pleased to announce the next round of Missouri Statewide Communications Assistance (MoSCAP) Grant Application is open to receive applications. A copy of the application is attached to this email for your reference. Applications are due to the Missouri Interoperability Center by April 15, 2013. Electronic submissions are acceptable with the understanding that a hardcopy will be submitted through mail or fax. For additional information regarding the grant a Frequently Asked Questions document has been created and is regularly updated on the www.moswin.mo.gov website. Additional information sessions via HSIN will be posted when available on this website as well.

Informational sessions will be held around the state. All of the session location, start time and other important information is provided below to allow your agency to schedule for someone to attend an information session. At these sessions, we will discuss the application process, grant process, eligible expenses and provide an update of MOSWIN system operation.
